STUDENT BEHAVIOUR AND CONDUCT

Weston College employs a student behaviour policy that sets out our behaviour expectations for learners and the approach that should be adopted when these are not met. The policy aims to apply restorative approaches rather than punitive measures for dealing with minor incidents or breaches of discipline.

We ask that all learners:

- Avoid any anti-social behaviour
- Are aware of their audience and respect the whole college community
- Maintain a safe and positive online profile
- Adhere to all safety measures and security protocols

Learners who fail to respond to the restorative approaches and continue to disrupt learning will be progressed to the disciplinary stages reserved for serious and gross misconduct. This Policy can be found [HERE](#)

In order to keep everyone as safe as possible, we will be operating a zero tolerance approach towards behavioural safety and compliance. Any learner found not to be following the instructions and measures put in place, will be asked to leave site and further additional action may be taken.

ARE YOU 'READY'?

As part of our strategy to support learners achieve their career goals, we ensure our learners are 'Ready to learn, ready for work and ready for life'. We want our learners to enjoy their time with us and want to create an environment where learners thrive, and we can celebrate their successes alongside them!

Our **positive behaviours matrix - READY** is designed to showcase our principles and expectations of Weston College learners that will create a culture that benefits all.

We want Weston College to be a place where you feel comfortable and safe enough to be yourself and enjoy learning. Our Equality, Diversity and Inclusion Policy applies to every member of Weston College, including students, staff and visitors.

SPACE FOR PRAYER AND REFLECTION

HARASSMENT AND BULLYING

We take a zero tolerance approach to harassment and bullying which means anyone proven responsible for unlawful discrimination, harassment or bullying can be asked to leave the College.

Harassment can be related to age, disability, gender identity, marital status, pregnancy or maternity, ethnicity, race, religion or belief, sex or sexual orientation. It is legally defined as "Unwanted conduct which has the purpose or effect of creating an intimidating, hostile, degrading, humiliating or offensive environment." This means if someone is offended by your behaviour(s), whether you intended it or not, and whether the behaviour was aimed at

them personally or not, it may be considered harassment.

Bullying is the persistent, intentional harming of another person with an unequal power relationship.

Harassment and bullying may be verbal, physical, emotional or non-verbal. This includes, for example:

- Physical assault – kicking, hitting, punching etc.
- Verbal assault – insults, swearing, disrespectful language
- Pornographic or other offensive pin-ups displayed publicly, accessed through the internet or circulated via email
- Jokes, gestures or graffiti that offend others
- Intimidation – use of written, spoken or physical threat to influence the behaviour of another
- Offensive clothing

SEXUAL ABUSE AND HARRASMENT

Sexual abuse is any unwanted sexual act or activity. There are many different kinds of sexual abuse that exist on a continuum and can be psychological and/or physical.

Sexual harassment is any unwanted and unwelcome words, conduct, or behaviour of a sexual nature that has the purpose or effect of creating an intimidating, embarrassing, hostile, degrading, humiliating or offensive environment for the recipient.

Harassment, sexual abuse or bullying is not tolerated in any form within Weston College and its associated premises. It is the right of every student to study without the fear and we are committed to providing an environment in which all individuals can operate effectively, confidentially and competently.

Please report it as soon as possible to a member of staff or do so by clicking [here](#)

COLLEGE ID CARD

As a student, you must wear your college identity (ID) card at all times on campus. Your ID card and lanyard will be provided at enrolment, enabling you to pass through security gates. You will also need your ID card to access technology and resources in LibraryPlus.

If you have forgotten your card, report to reception and they will issue you with a temporary card after confirming your student status.

SECURITY PROCEDURES

Weston College has a number of systems and procedures in place to ensure safe and secure campuses, including:

- Closed circuit television across each campus
- Screening and searching - see the College's Student Safety and Disciplinary Policy for further details.
- Emergency evacuation procedures - familiarise yourself with the "fire action procedure" and "assembly point" signs and notices
- Fire alarms - if you hear a continuous ringing bell or see a flashing red light please leave the building immediately and leave personal belongings. If you have mobility issues, wait at your nearest refuge point. 'Whistle Wave' lockdown for terrorist, armed intruder or attacker - we operate a 'Run, Hide, Tell' procedure in the event of an armed intruder accessing our

buildings. The warning signal for this is either short sharp blasts on a whistle or a tannoy announcement warning. If you hear one of these alerts you must follow instructions from a member of staff or run to place of safety, hide in an office, classroom, or workspace and lock or barricade the door. Tell a member of staff and the police.

- Alerts - the 'whisper' evacuation - bomb threat or suspect package - if a call is received, the Principal will order the affected building to be evacuated. A staff member will alert other staff and students to evacuate the building via a particular staircase or exit route, to an alternative assembly point. Known as the 'Whisper' evacuation the procedure is undertaken quietly and in an orderly fashion
- Disciplinary action, in the form of a gross misconduct charge, will be taken against anyone maliciously starting a fire evacuation, whistle wave lockdown or bomb evacuation
- First aid - if you or another student becomes ill or has an accident while at College you should contact reception (dial 0 from any internal telephone). Ask for a first aider and detail where you are and the nature of the problem
- No smoking or vaping in College buildings or near main entrances - designated smoking areas are available at each campus
- Hoods and caps - while on campus we ask all non-religious headwear is removed for identification purposes
- E-safety - for advice and guidance on e-safety, you can contact your personal tutor or a member of LibraryPlus
- Risk assessments - to ensure your safety we 'risk assess' all College buildings, spaces and activities, including organised trips out of college. You will find a 'generic' risk assessment posted in each classroom and work space for information. If you need more information on risk assessments please ask your tutor.

YOUR DIGITAL COLLEGE: GET CONNECTED!

Use of technology is essential to your learning and required for accessing online resources and activities for your course. Owning a device suitable for learning and working is beneficial to your progression and career, from connecting with employers to continuing your development as a life-long learner.

Studying at Weston College will include aspects of what we call 'blended learning'. This means your course will use a mix of digital content and activities, including video-based learning, interactive learning tools, digital projects, problem solving and more! Most importantly, we want you to remain connected with your teacher, our support teams and other students on your course. Your digital experience at Weston College will therefore require access to technology. We recommend that learners consider owning a device that is suitable for College work. This is a good investment not just for your course at Weston College, but also for your future:

- Your employability – online job applications, video interviews, digital portfolios and networking
- Opportunities in Higher Education – research, independent study and extended projects
- Work-based learning – Remote/mobile working in the workplace for apprentices and work placements

We understand that not everyone is able to buy a device or may have unreliable access to the Internet. Weston College is inclusive and is committed to supporting learners. As part of the Weston College community, we want you to remain connected. This support includes:

- Using Microsoft Teams as our main application for communication, assignments and digital learning content, all accessible via the Microsoft Teams app desktop and mobile devices (on Windows, Android and Apple)
- Free downloads for the Microsoft Office software (Word, Excel, PowerPoint and more) for the duration of your course
- Free 'Eduroam' WiFi services across all campuses for personal devices
- Bookable access to our IT facilities in LibraryPlus centres, including PCs, Macs and self-issue laptops (for on campus use)
- Learners with an approved bursary may be able to apply for an IT bursary, providing a contribution towards cost of a device from our named supplier (subject to assessment)
- Device access referrals for learners who are unable to access technology as a result of digital poverty (speak to your tutor)
- Device discount schemes from Dell and Apple. Available from the Weston College Student Zone homepage.

We will continue to keep you updated on new technology services and developments as we head toward an exciting academic year.

OUTSIDE OF THE CLASSROOM

Enrichment is an important part of your College life and something we actively encourage.

Enrichment activities enable you to develop new hobbies and interests by getting involved with activities and other students outside of your study programme.

A wide range of activities and sports are offered throughout the week and across the College sites. If there is something that you would like to do that we don't currently offer please come and tell us and we will see what can be done.

STUDENTS' UNION

The Students' Union is here for you, when you enrol at college you are automatically a member, all students whether part time, full time or apprenticeships are members of the Union.

There is an executive team of students that are elected every year to represent your views and opinions and offer you the best college experience possible. The team is made up of a President, Vice President, Secretary and Campus Officers for each campus. This ensures all students voices are heard across all of our campuses. The Students' Union is also a member of the National Union of Students (NUS), this means you are entitled to purchase a Totum card (previously known as the NUS Extra card) at a cost of £15.

This gives you access to hundreds of discounts at restaurants, shops and experiences to make your life whilst at College even better.

The students' union is run by students for the students and is responsible for:

- Student representation across all sites and study programmes
- Social activities
- Campaigns
- Charity activities
- Trips.

Our values:

The Students' Union exists to make your lives as students better. One of the key ways we work to do this is to ensure that your voice is heard on your course. We believe that students should be active partners in their learning while at the College, and we work closely with departments and faculties to make changes that will benefit students. If you want to get involved with the Students' Union, let us know:

BEING GREEN, LEAN AND SOCIALLY RESPONSIBLE – OUR PHILOSOPHY FOR A SUSTAINABLE COLLEGE OF THE FUTURE

Our ambition is to position sustainability at the heart of our college in order to create a green, lean, socially responsible culture for staff and students to embrace, and to work together to build a passion for net zero within its organisation, across its curriculum and within its community to allow its region to sustainably grow and thrive through building sustainable jobs and careers.

ENERGY, WASTE AND INFRASTRUCTURE

Implement 'green, lean socially responsible' best practice in relation to building design, renewable energy, waste and water management, procurement and biodiversity at each Campus with a commitment to work towards Net Zero greenhouse emissions by 2030.

BEHAVIOUR AND CONSUMPTION

As a college, taking a shared responsibility and commitment to use less water and energy, whilst reducing the amount of waste and increasing the amount of recycling use of re-useable materials. This will become a key component of the culture of the College and its expectations on both students, staff and visitors.

GREEN SKILLS AND CAREERS

Play an anchor role through working with employers to design the green curriculum of the future to meet emerging regional skills priorities. Put a real emphasis on raising awareness of green careers through hands on immersion events looking at future technologies, as well as upskilling staff and students on key agendas such as carbon literacy and social action.

SUPPLY CHAIN PARTNERSHIPS

Making a commitment to engage in smart purchasing/order scheduling to reduce our carbon footprint, whilst only working with suppliers who meet our high standards regarding their own sustainability practices. Making sure all suppliers follow sustainability legislation and guidance to reduce impact on the environment and embed expectations across the tendering process in terms of ethos and materials used.

SUSTAINABILITY/SOCIAL ACTION

Support staff, students and wider stakeholders with Net Zero skills. At the same time design and lead on community activities to enhance/protect the environment with the overall aim of building a stronger fairer and greener community.

TRAVEL

Reduce the numbers of journeys undertaken by Governors, Staff and Students. Actively promote and encourage the use of alternative transportation including walking, bikes, public transport, carpool, use of Teams meetings etc for meetings/collaboration.
