WHAT DOES THIS GUIDE PROVIDE?

Our School Liaison Offer details how Weston College can support you in providing information, advice and guidance to inspire school students considering their future options for careers as well as further and higher education. The School Liaison Team works with schools, students and parents to raise awareness of the further and higher education provision at Weston College and support with that transition. Our aim is to inspire young people to progress to FE and HE and advise them about the courses available.

The **FREE** activities and events within our programme have been developed to enable participants to:

- **Provide opportunities to explore information about available options**
- **Gain an insight into life as a further or higher education learner**
- **Raise their aspirations**
- **Make informed choices about their future**
- **Enhance their current studies and progression prospects**
- **Support their personal development**
- **Take part in a variety of taster sessions**

The School Liaison team, working collaboratively with wider college colleagues and UCW can support schools and community groups by providing information, advice and guidance activities for all year groups. For schools, this will support the requirements of the Gatsby benchmarks and the updated Provider Access Legislation (PAL).

GATSBY BENCHMARKS

We've created a menu of activities that will support school staff to meet the Gatsby benchmarks. Look out for the numbers next to each activity in the booklet to identify the relevant benchmark.

1. **A stable careers programme**
2. **Learning from career and labour market information**
3. **Addressing the needs of each pupil**
4. **Linking curriculum learning to careers**
5. **Encounters with employers and employees**
6. **Experience of workplaces**
7. **Encounters with further and higher education**
8. **Personal guidance**

PROVIDER ACCESS LEGISLATION

The updated Provider Access Legislation (PAL) came into force in January 2023, this specifies that all schools must provide at least six encounters of approved providers of apprenticeships and technical education. We have identified activities throughout the booklet that meet the PAL. This means:

- **Two encounters for students during the 'first key phase' (year 8 or 9) that are mandatory for all students to attend**
- **Two encounters for students during the 'second key phase' (year 10 or 11) that are mandatory for all students to attend**
- **Two encounters for students during the 'third key phase' (year 12 or 13) that are mandatory for the school to put on but optional for students to attend**

ACTIVITIES WE CAN OFFER FOR STUDENTS

Below are all the offers that the Weston College and UCW teams can deliver for your School. If you have any other ideas on what you'd like us to do for your school, please get in touch with the School Liaison Team where we will be happy to discuss your requirements – schoolteam@weston.ac.uk

SCHOOL LIAISON OFFER (FE)
